## Cheerleaders

The cheerleaders of Tri C-Jc help promote school spirit at the athletic events as well as afford leadership in all areas on campus.

The girls this year attended all home games and most out-of-town games. Furthermore, they organized pep assemblies and rallies.

First semester, the cheerleaders visited and joined a cheerleading clinic in El Dorado.

They have done a remarkable job this year, being commended by several other college campuses.

The 1969 Tiger Football Squad returned only eight lettermen and was dependent on the incoming freshmen for much support. Because of this inexperience, the first half of the season was exciting but produced only two victories in five games. However, the experiences gained by the freshmen and with good leadership provided by the sophomores in the first five games the Tigers won three of the last four games. Two of these teams were Nationally ranked during the season. This included a victory over, "always tough", Coffeyville and then the following week a big upset victory over the Highland Scotties. Highland had been Nationally ranked and were a powerful team but the Tigers fought from behind to win 34 to 30. The most exciting game of the season was played at Independence against the third nationally ranked team the Tigers faced in 1969. The Pirates were in second place in the Kansas Jayhawk JuCo Conference and needed a victory in the last conference game to nail it down. The Tigers scored the first three times they had the ball to take a 21 to 14 halftime lead. The Tigers scored again on the first series of the second half and were leading 28 to 14 going into the fourth quarter. The Pirates showed their great speed and scoring ability by scoring three touchdowns in the fourth quarter to take a 33 to 28 lead with just over two minutes left in the game. With a 3rd and 29 situation on their own 21 yard line the Tigers scored on a 79 yard pass play from Ray Harding to John Woodworth which ended with Woodworth latteraling to Joe Wilson on the 10 yard line and Wilson going in with the winning touchdown. Mike Sobba added the extra point for a 35 to 33 victory.

J. Woodworth, 2 yrs., leading scorer, 5th leading pass receiver in nation, All-Conference.

R. Wilkey, 1 yr., 2nd leading defensive back tackle in Kansas Jayhawk Junior College Conference, honorable mention All-Conference.

R. Lacey, 2 yrs., honorable mention All-Conference.

B. Givens, 2 yrs., honorable mention All-Conference.

John Woodworth accepting the most valuable player award from Academic President Gwen Nelson.

Steve Spratt trying for two points against Barton County.

This season's team record does not show the type of quality of the squad that represented CCCJC.

Even though the Tiger club may have lost many games, the participants showed the competitive spirit the team always displayed.

The squad is an outstanding hustling club and all members of the team have excellent desire, attitude, and citizenship.

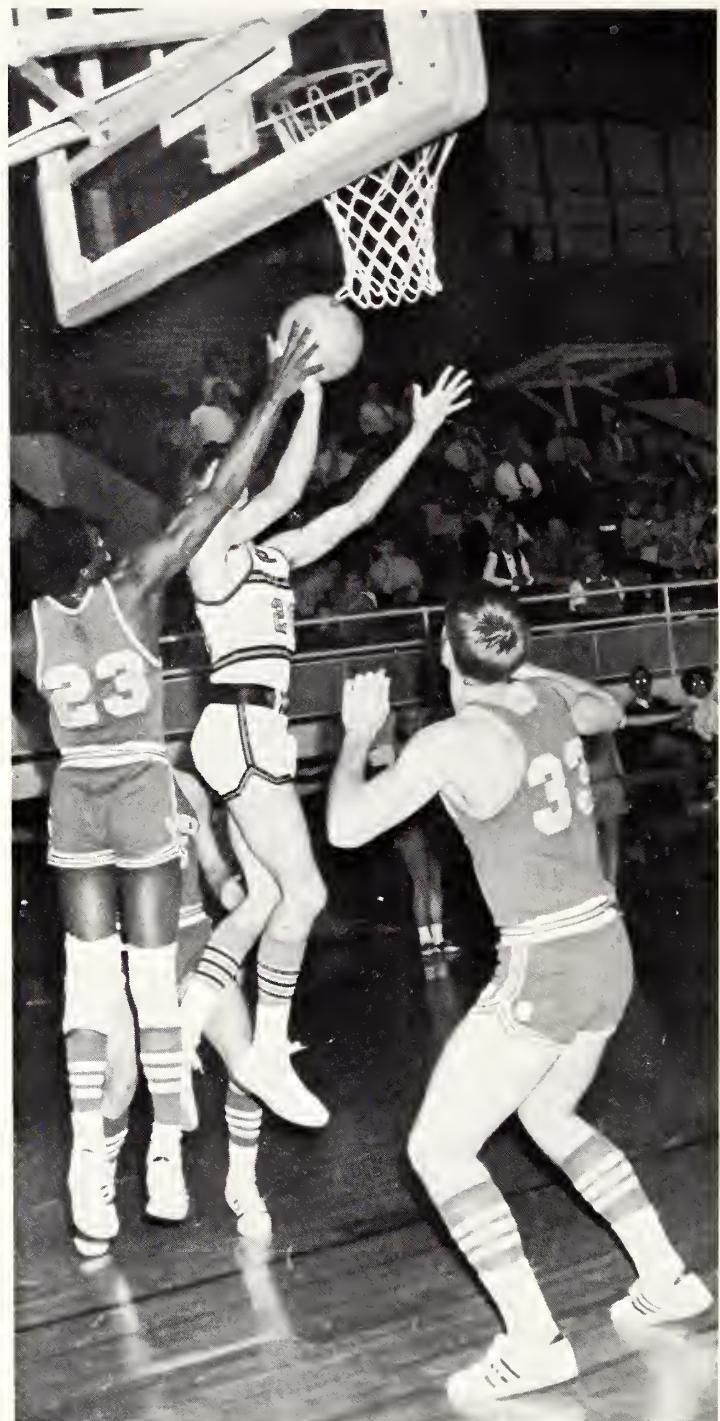

The graduating sophomores have hard positions to fill, but with the upcoming sophomores and incoming freshmen, next year's squad should be high contenders in the league.
